First Grade Supply List 2011 - 2012

The following is a list of supplies your child will need for my class this school year. Your child should have these supplies in class by **Friday, August 27th**. Please **DO NOT** label your child's supplies for the reason that students will share supplies as needed throughout the year and we will be labeling supplies together in class. It is important for your child to show an attitude of responsibility by coming prepared to class each day and handling supplies with care. Please encourage your child to be ready for school every day. **Remember that a prepared student is a better student!**
